# GRAFICHE EDUCATIVE

## EDUCATIVE GRAPHICS

### GRAFICHE

La nostra proposta grafica vuole essere uno stimolo per lo studente ad essere un abitante del mondo conscio e capace di comprendere quanto possa essere importante il suo contributo per la terra.

L'intento è duplice: sensibilizzare sul tema dell'educazione alimentare e l'impatto delle attività umane sull'ambiente

Our graphic proposal aims to be a stimulus for the student to be a conscious inhabitant of the world and capable of understanding how important his contribution to the earth can be.

The intent is twofold: to raise awareness on the topic of food education and the impact of human activities on the environment

**\*IL PROGETTO É PERSONALIZZABILE DAL NOSTRO TEAM, PREVIO CONFERIMENTO DI APPOSITO INCARICO**

### APPLICAZIONE

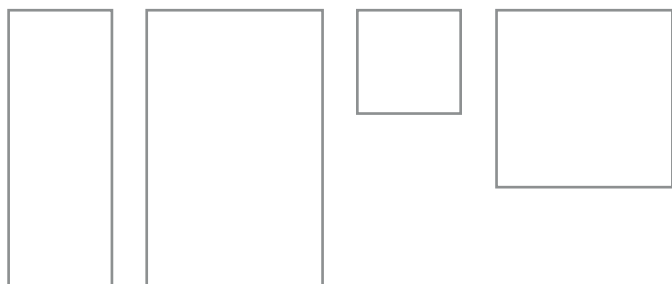

Le grafiche sono stampate su supporti in Forex, ancorati a muro tramite appositi fissaggi.

The graphics will be printed on Forex supports, anchored to the wall using special fixings.

### DIMENSIONI PANNELLI

Le dimensioni sotto riportate permettono l'allineamento con la modularità dei pannelli di serie per pareti attrezzate.

The dimensions shown below allow alignment with the modularity of the standard panels for equipped walls.

## TAVOLI SU RUOTE

tables on castors

**Ruote inserite al piede di due gambe facilitano lo spostamento.**

Invisible castors inserted at the ends of two legs facilitate movement.

## TAVOLI IMPILABILI

stackable tables

**Tavoli quadrati, rettangolari e tondi sono disponibili anche in versione impilabile con due o quattro gambe esterne al piano.**

Square, rectangular, and round tables are available also in stackable version with two or four legs external to the tabletop.

## G-TYPE

G-TYPE

**G-TYPE è la nuova sedia ideata da GAM e prodotta in collaborazione con la capogruppo iMilani. È un progetto originale, sviluppato con il contributo di competenze specialistiche, per trovare la miglior sintesi di estetica, funzionalità, qualità produttiva. G-TYPE è disponibile in cinque colori e in legno compensato curvato, su quattro gambe, su slitta cantilever o a cinque razze su ruote. I modelli su gambe e slitta sono impilabili. Con finitura antracite è disponibile nella versione in plastica riciclata o ignifuga in CL1. Il design è di Giovanni Fumagalli e Claudio Gorgi.**

G-Type is the new chair designed by GAM and produced in collaboration with the parent company iMilani. This peculiar project, developed through specialized skills, aims to find the best synthesis of aesthetics, functionality, production quality.

G-Type chair is available in five colors and in curved natural plywood. The base can be on four legs, cantilever or with five castors. The legs and cantilever models are stackable. The anthracite shell is also available in CL1 fireproof recycled plastic. The design is by Giovanni Fumagalli and Claudio Gorgi.
